

JOB OPPORTUNITY

Job Opportunity Bulletin:	05-099
Final Filing Date:	12/30/05 or Until Filled

Position:	Salary:	Location:
Senior Structural Engineer/ Structural Engineering Associate	\$6020 - \$7313	Office of Statewide Health Planning & Development Facilities Development Division 1600 Ninth Street, Room 420 Sacramento, CA 95814

General Statement:

Under the direction of the Supervisor, Health Facilities Review, the incumbent will review structural and nonstructural anchorage and bracing of equipment and systems to ensure compliance with the California Building Standards Code; conduct technical oversight review of plans and construction observation work completed by OSHPD staff to ensure consistency, quality, and compliance with the California Building Standards Code; and make recommendations to the Supervisor, Health Facilities Review.

Duties:

- Review structural and nonstructural aspects of component and system seismic anchorage and bracing to ensure compliance with the California Building Standards Code.
- Perform technical oversight review of plans and construction observation work completed by OSHPD staff to ensure a high level of consistency and quality of review for compliance with the standards and requirements of the California Building Standards Code.
- Assist in the resolution of disputes between OSHPD plan review staff and clients involving complex interpretations of applicable codes and regulations.
- Assist in the development of Policy Intent Notices, Code Application Notices, and amendments to regulations.
- Represent OSHPD in various meetings regarding pre-approved anchorage and bracing systems.

Desirable Qualifications:

- Knowledge and experience in structural design, plan review, construction methods and retrofit of existing structures.
- Knowledge and experience in interpreting requirements governing design and construction of health care facilities in California.
- Ability to handle code enforcement issues with architects, engineers, project managers and health care facility owners.
- Good writing and oral communications skills.
- Excellent interpersonal skills.
- Ability to handle stressful or sensitive issues with tact and diplomacy.

Who May Apply:

Applications will be accepted from individuals currently in this classification or who have list, transfer or reinstatement eligibility. Only the most qualified individuals will be interviewed. Appointments are subject to SROA policies. ****May consider downgrading to Structural Engineering Associate (\$5135 - \$6239) for recruitment purposes. Applications will also be accepted from candidates currently eligible for lateral transfer or list appointment to the Structural Engineering Associate classification.***
